Dec. 18, 2020

Merry Christmas!

As we come to the end of 2020, may we reflect on God's goodness and mercy unto all His children. Despite the many difficulties of the pandemic and the struggles of distant-learning, we have all persisted and strived toward the goal of serving others while we serve God and do His will. May you and your family be in good health --- we wish you a Merry Christmas and a Happy New Year!

Winter Break

We hope that you all have a fun and restful 2 week break. Let's enjoy time with family and friends, as we celebrate and remember that Jesus is the reason for the celebration. Stay safe and healthy, and we'll see you all on Monday January 4, 2021.

Special Christmas Drive-Thru

On Friday December 18, we will be having a special Christmas Drive-Thru at the school. Students and parents can drive in from 10-12pm to receive a Gift Bag from your teacher. We want to acknowledge your efforts and hard work, and wish you a Merry Christmas! We'll take pictures and make memories while keeping safe and wearing masks. This will be our annual Christmas sweater day as well, so come dressed in your fun and colorful Christmas Sweater!

School Photo Day

We will be having a special school-photo day on January 13th. Families will be asked to come at set appointment times to take photos for memories and for the school year-book. We will all practice safe-distance protocols and will not be taking a whole school photo.

Reopening Plans

Reopening plans for the school are ongoing. We know that current situations have caused LA county to implement stricter measures and guidelines regarding the operation of businesses. We are working to prepare each classroom to be in compliance with Covid-19 rules and protocols. These include but are not limited to: touchless temperature checks, signage and reminders posted around campus, plexiglass dividers, masks available on campus, hand sanitizers... etc. We will open when the LA county Health Dept has given approval.
