No School Monday

Monday is Martin Luther King Jr. Birthday. Enjoy your day off.

Spirit Day

Wednesday is Spirit Day. Be sure to send in some great photos of your child showing their AUS Spirit!

Testing

MAP (2nd round) standard testing is coming up beginning January 25th. This will allow us to measure the academic progress of our students. We'll share more detailed information in the next few days. The 3rd round will be at the end of the school year.

Visiting Campus

If you have a need to visit the campus to speak to staff or make a payment, please call or text a staff member to let us know. Ms. Gaby in the front office is usually on campus, but there are occasions when she is not available. Therefore we ask that you please call or text beforehand so that we can properly assist you with your needs.

Box Tops Fundraiser

You are now able to submit Box Tops information by scanning your receipts through their on-line apps and website. This is just a simple way for you to help the fundraising effort of the school. Also remember to use Smile.Amazon.com and help the school raise funds each time you

make an Amazon purchase - it's very easy and helpful. As of Nov 2020, AUS has gained \$318.84 through the Smile program. Please join in this effort.

Spring Week of Prayer

The Conference-wide Week of Prayer was a big hit. Pastor Taimi and his team are looking forward to another Week of Prayer to be scheduled in April. More information will be forth-coming. Students, get ready to use your talents and participate in this fun event.

Photos

Thank you to all students who came for Photo-Day. You may still order photos through their website. Simply use the unique code that was given to you on Wednesday.

Photos for Yearbook

Parents, we are asking for your contribution to the yearbook. If you would, please take photos of your child doing homework, studying, doing online assignments, exercising, doing P.E., or anything school related -- send it to your child's teacher so we can include it in our yearbook. We would greatly appreciate it. As you know, this year has been challenging and the school has not been able to meet in-person for class, chapel, field trips, or school festivals. We are asking for your photos to help fill the pages of our yearbook.
