## Theme of the Month: Courage

Deuteronomy 31 :6 Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; he will never leave you nor forsake you.”

## Testing

The students will be completing the second session of MAP testing during the week of Jan 25-29. The morning hours will be dedicated to MAP and the afternoon hours will be regular instructions. This will help to measure the academic growth and development of students.

## Visiting Campus

If you have a need to visit the campus to speak to staff or make a payment, please call or text a staff member to let us know. Ms. Gaby in the front office is usually on campus, but there are occasions when she is not available. Therefore we ask that you please call or text beforehand so that we can properly assist you with your needs.

## Box Tops Fundraiser

You are now able to submit Box Tops information by scanning your receipts through their on-line apps and website. This is just a simple way for you to help the fundraising effort of the school. Also remember to use Smile.Amazon.com and help the school raise funds each time you make an Amazon purchase - it's very

easy and helpful. As of Nov 2020, AUS has gained \$318.84 through the Smile program. Please join in this effort.

## AUS to Lead Worship

AUS has been invited by the Southern California Conference to lead out in their Virtual/Zoom morning devotional next Monday, Jan 25. Our staff and a handful of students will be participating, as we share highlights through songs and videos of our students' accomplishments and their love for Jesus. They will also share why they enjoy Adventist education and why they chose to attend AUS.

## Photos for Yearbook

Parents, we are asking for your contribution to the yearbook. If you would, please take photos of your child doing homework, studying, doing online assignments, exercising, doing P.E., or anything school related -- send it to your child's teacher so we can include it in our yearbook. We would greatly appreciate it. As you know, this year has been challenging and the school has not been able to meet in-person for class, chapel, field trips, or school festivals. We are asking for your photos to help fill the pages of our yearbook.
