## Welcome Back Students!

We hope you all had a restful Holiday season. As we continue with in-person instructions, let's be diligent with our safety protocols. Wash hands often, mask up, get plenty of sleep, and eat healthy. If you should feel sick, please stay home and follow all current health guidelines. If your child must miss school due to illness, please inform the teacher immediately. If you have any concerns, please contact your teacher or the front office for more information.

## Health and Wellness

This is the season for colds, flus, and COVID. If you are concerned about your child's wellness, please see your doctor to get tested as needed. If you are looking for testing-sites and other resources, please see Ms. Gaby at the front office for specific resources and testing sites available in your area.

## MAP Testing

Our second window of MAP testing will be on January 24-28. This is a great way to assess the learning progress of each of our students. Let's try our best and bump up those scores!

## School Choice

The last week of January is National School Choice Week. We thank you parents for choosing Adventist Union School and enrolling with us. Learning and academics is great but what's even better is the spiritual growth and learning about God and His love.

## Hot Lunch Menu
